SEATA HONORS & AWARDS

Hall of Fame: The SEATA Hall of Fame is designed to recognize and honor those members of our District who performed extraordinary service and brought honor to the profession of athletic training particularly at the SEATA level. Service at local, state, and national levels is considered but service to SEATA is the primary consideration. Minimum eligibility requirements include 15 years as a certified member working or living in District IX and at least 20 years of service in the profession.

Chuck Kimmel Award of Merit: The highest award given to a member of the Southeast Athletic Trainers' Association. Its purpose is to recognize the person that has worked for the District on a national level. It is a way to distinguish one who has brought honor and recognition to the District. A distinction reserved for the most able of professionals in the field of athletic training. The SEATA Executive Board renamed the SEATA Award of Merit to the Chuck Kimmel Award of Merit on January 30, 2008 to honor Chuck Kimmel for his many contributions to the profession of athletic training through his work in SEATA and the NATA.

Jack C. Hughston, M.D. Sportsmedicine Person of the Year: This award is given to the person that has contributed to SEATA and athletic training as a profession. Both medical and non-medical persons have been recipients of this award. This award is the highest award given to a person who may not be an athletic trainer and is designed to show the district's appreciation for particular contributions to the field of athletic training in the southeast. This award was renamed in honor of Dr. Jack C. Hughston, M.D. by the SEATA Executive Board in December 2004.

District Award: There are many people who serve SEATA very well. It is dedicated to the person who has given of himself or herself to promote, lead, and work for the District. They may not have served on a national level but have made significant contributions on the district level.

Backbone Award: One of the first awards given by SEATA. It is designed to recognize an assistant athletic trainer that has played a major role as backbone to the Head Athletic Trainer. This award is for the person in the trenches that is there day to day what is needed in the athletic training room, the true professional. A cash award goes to this recipient.

High School Athletic Trainer Award: This is an opportunity to recognize someone in the District on the secondary school level. This honoree has made a major impact on their communities and institution. Many of these people may not have had their chance to serve on the District or National levels. However, their importance has been seen in the state and communities where they reside. They have contributed to the growth and awareness of the profession of athletic training. A cash award goes to this recipient.

College / University Athletic Trainer Award: This award will recognize an athletic trainer at the college / university level for service to the institution, the community, as well as SEATA. This person serves many functions in addition to athletic training.

Clinic / Industrial / Corporate Athletic Trainer Award: We will honor an athletic trainer that has represented our profession well in a clinic, industrial or corporate environment. This venue of service enlightens the public to the many benefits of having an athletic trainer in the workplace.

Professional Athletic Trainer Award: This honor will recognize an athletic trainer associated with a professional sports team in our district. This recipient will be an athletic trainer involved in professional sports that represents our profession well and makes athletic training more visible.

Education/Administration Award: Many athletic trainers serve as educators or in administrative positions. This award is given to a member that is committed to teaching athletic training skills and functioning in a leadership capacity at an institution.

Sponsors Award: SEATA is very appreciative of our many friends that have supported athletic trainers through the years. We honor those who have made an impact on our organization through their contributions.

The Southeast Athletic Trainers' Association (SEATA) is District IX of the National Athletic Trainers' Association. It is a not-for-profit organization dealing with the concerns of its members and the profession of athletic training as a whole. This association was first started back in 1950. Initially comprised of the members of the Southeastern Conference schools, this district is represented by Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, Tennessee, Puerto Rico, and the Virgin Islands.

The 2011 Tim Kerin Memorial Awards Banquet and SEATA Hall of Fame Induction

The Tim Kerin Memorial Awards Banquet was established to honor longtime University of Tennessee Athletic Trainer Tim Kerin for his dedication and service to the Southeast Athletic Trainers' Association. From its inception until his untimely death, Tim served as Chairman of the SEATA Honors and Awards Committee. He established the awards, which included the Award of Merit, Sportsmedicine Person of the Year, District Award and Backbone Award. His love for athletic trainers has made SEATA's Honors and Awards Program what it is today. Gatorade has supported the Awards Banquet generously over the years as a result of its relationship with Tim Kerin.

Marisa Brunett

Marisa Brunett, MS, ATC, LAT, is the Director of Sports Medicine for CORA Rehabilitation & Sports Medicine Clinics- Florida where she is responsible for developing, implementing, managing operations and marketing of sports medicine programs for outpatient rehabilitation clinics and outreach athletic training programs throughout the state. She also continues to work in the field as an athletic trainer at the collegiate, clinical/ industrial and high school settings. Marisa has been actively involved in SEATA, NATA, BOC, & ATAF for 25 years.

She has been an active member of SEATA, currently serving as the Chair of the SEATA Public Relations Committee. Marisa served as an officer on the SEATA Executive Board as Vice-President from 2005-2010, as well as an Executive Board member from 2001-2005. She has served as Chair of the SEATA Annual Symposium Oversight Committee and the Symposium Site Se-

lection Committee. Marisa has also served as a member of the SEATA Meeting Review Committee, Policy & Procedures Committee, Annual Symposium Fiscal Accountability Committee, the Mission & Vision Statement Task Force and the By-Laws Revision Task Force. She has presented at the SEATA Annual Clinical Symposium & Members Meeting. Marisa currently serves the NATA as the District IX member on the Public Relations Council, a member of the Honors and Awards Hall of Fame Subcommittee and is the incoming NATA Public Relations Council Leader beginning her term in June 2011. Marisa has also served the NATA as a member of the Convention Program Committee Project Team, Governance Task Force, member of the Convention Committee Registration Team, District IX Host Committee Chair for the 47th Annual Clinical Symposium in Orlando, FL in 1996 and has served as Moderator at several NATA Annual Clinical Symposiums. Marisa's involvement with the BOC includes serving as an examiner, Test Site Administrator, member of the Test Development Group, Qualified Examiner's Facilitator, and District IX's representative on the BOC Exam Administration Committee. She has served ATAF as Past-President, President, Vice-President, Executive Board member, Education Committee Chair and various committee member positions. She has also presented at several ATAF Annual Clinical Symposiums on licensure in the state and PR. She is currently on an ATAF project team working with Florida's Division of Worker's Compensation to have licensed athletic trainers recognized as Health Care Providers within their reimbursement manual. Marisa also served as a member of the Gatorade High School Athletic Trainer Advisory Board.

Marisa has been actively involved in the licensure process in Florida since the passing of the initial licensure act in October 1995. She served as an initial member of the Florida Department of Health's Council of Athletic Training from 1996-2000. In 2000, the Council moved to a Board, and she was appointed by Governor Jeb Bush to the Department of Health's Board of Athletic Training where she served as Vice-Chair until 2002. Marisa was re-appointed to the Board of Athletic Training by Governor Charlie Christ as a member in 2006 until 2009.

For over 25 years, Marisa has served her communities in various roles such as public speaker, Medical Coordinator, Host Site Athletic Trainer, Team Leader and Athletic Trainer for state, district, national and international sporting events. Most recently Marisa served as the Local Medical Coordinator and the East Team Head Athletic Trainer for the 2011 Annual East West Shrine Game in Orlando, FL. She also served as the Local Medical Coordinator and the West Team Head Athletic Trainer for the 2010 Annual East West Shrine Game in Orlando, FL. She has been an Approved Clinical Instructor with the University of Central Florida Athletic Training Education program since 1998 and currently sits as a member of the Orange County Public Schools Athletic Trainer Advisory Committee.

Marisa earned a BS in Physical Education/Athletic Training from West Virginia University. She completed her MS in Administration at Florida State University while also working as an athletic trainer for their Athletic Department.

Marisa has been recognized by her peers for her service and contributions. In April 2008, Marisa was inducted into ATAF "Hall of Fame". She is the recipient of the 2008 SEATA District Award, 2007 BOC "Dan Liberia Service Award", 2002 NATA "Athletic Trainer Service Award", the 2002 & 1997 ATAF "Athletic Trainer of the Year" Award, the 1998 ATAF "Presidential Backbone Award", and the 1992 ATAF "Clinical/Industrial Athletic Trainer of the Year".

SEATA Hall of Fame 2011 Class

Ron Courson

Ron Courson has served as Director of Sports Medicine with the University of Georgia Athletic Association since May of 1995, after serving four years as Director of Rehabilitation at the University of Alabama. Prior to joining the Alabama staff in 1991, he served as an athletic trainer/physical therapist with Samford University in Birmingham, Alabama. He received his undergraduate degree in education/physical education from Samford University, where he played soccer and ran track and field. Courson performed two years of graduate work at the University of Tennessee-Chattanooga, and graduated with honors from the Medical College of Georgia with a degree in physical therapy. A native of Birmingham, Alabama, Courson is additionally a national registered emergency medical technician-intermediate as well as a certified strength and conditioning specialist by the National Strength and Conditioning Association.

Courson has been involved in many athletic training activities including work as an athletic trainer with the U.S. Olympic Team at the 1988 Olympic Games in Seoul, South Korea; 1990 Goodwill Games in Seattle; 1987 World University Games in Zagreb, Yugoslavia, 1987 Pan American Games in Indianapolis and the 1992 Olympic Games in Barcelona, Spain. He served as the chief

athletic trainer for the 1996 U.S. Olympic Track and Field Trials as well as the chief athletic trainer for track and field for the Atlanta Committee for the 1996 Olympic Games (ACOG).

Active in his profession, Ron has served as a member of the NCAA Competitive Safeguards and Medical Aspects of Sports Committee. He is a past president of the Southeastern Conference Sports Medicine Committee as well as chairman of the College and University Athletic Trainers' Committee of the National Athletic Trainers' Association (NATA) and NATA liaison to the American Football Coaches Association. During his tenure at Alabama, he served as president of the Alabama Athletic Trainers' Association and as chair of the Alabama Board of Athletic Trainers. He currently serves as a member of the D1A Athletic Directors Task Force on Student-Athlete Development.

Ron serves as an adjunct instructor in the department of kinesiology at the University of Georgia, teaching in the athletic training education program. He also serves as a clinical instructor teaching student physical therapists from various schools throughout the country. He is active in research and education in the field of sports medicine, having authored a number of professional papers and text chapters. He served as a co-author with the NATA on position papers for emergency preparation, exertional heat illness, management of sudden cardiac arrest and management of head and cervical spine injuries. Ron presents frequently at regional and national sports medicine meetings.

Ron is married to the former Eileen O'Connell of Waycross, Georgia. Eileen is a physical therapist who attended the University of Georgia and the Medical College of Georgia. Ron and Eileen have four children, John, Anna, Luke and Will.
