Early registration packet pickup begins on Thursday at 5:00 pm in the pre-Function Area of the Ravinia Hotel. [SEATA Refund Policy](#) [SEATA Website Privacy Policy](#)

Research

We welcome the submission of reports on experimental research, injury surveys, case studies, and/or other research projects that are pertinent to the practice of athletic training from athletic training students enrolled in CAATE accredited programs. Students must be the primary author/researcher with co-authoring by a supervising faculty member and/or clinical faculty affiliated with the institution in which the athletic training student is enrolled. All abstracts will undergo blind review.

Students may select the type of project and presentation style:

- Original Research - ORAL
- Original Research - POSTER
- Clinical Case Report - ORAL

Clinical Case Report - POSTER

The committee will evaluate Oral Presentation Submissions and recommend acceptance of a MAXIMUM of 10 Oral Presentations from the two categories (Original Research; Clinical Case Study). Students will receive their presentation schedule for the Thursday evening session (see agenda) at time of acceptance (on or before December 19th, 2015).

The committee will evaluate Poster Presentation Submissions (Original Research; Clinical Case Study) and recommend acceptance of a MAXIMUM of 15 projects for Poster Presentation (based on rating order by blind reviewers). Students with accepted poster presentations (notification on or before December 19th, 2015) will present on Friday morning from 7:00am-8:00am (set-up begins at 6:30am Friday morning).

Note: Presentation type and category of consideration occurs via the online submission process by the student.
