

SOUTHEASTERN ATHLETIC TRAINER'S ASSOCIATION

March 1971 Newsletter

Received a letter from Lindsay McLean, Chairman of the NATA Board of Certification. The next examination will be given June 6, 1971, in Baltimore, Maryland, just before the national convention. Application forms are available from Lindsay McLean, Chairman, NATA Board of Certification; 3379 Burbank Drive; Ann Arbor, Michigan 48105. Applications must be processed by May 1 to be considered for the June examination.

Have also received a memorandum from Otho Davis with regard to delinquent members. Anyone who has not paid their dues by April 1, 1971, will be delinquent for this year. We will not accept any dues after this date. The National Office will close the books for an audit as of this date.

News from District 5: J. H. "Doc" Johnson, retired athletic trainer from Oklahoma State University passed away the first week of February.

If you are hunting a job, contact Al Hart, Athletic Dept., Ohio University, Athens, Ohio. He is head of the NATA Placement Bureau. Ditto of you would like to hire an assistant or graduate assistant.

Graduate Assistantship open at Tennessee Tech. Contact Steve Moore, Box 5057, Cookeville, Tennessee for information.

I have patches for sale. Cost \$1.00. This is exactly what they cost from the National Office, so the district does not make any money on them.

SOMEONE looking for a job!

Rodney J. Poindexter, Box 4134, N.C.S.U., Raleigh, North Carolina 27607 has notified me that he is looking for a job in this area. He is a senior at North Carolina and will graduate in the spring. He has been in training eight years and has some good background material on his vita sheet. He is not subject to draft, except in case of extreme national emergency. If you would like a copy of his vita sheet, send me a card, and I will forward a copy to you. Any help you can give this young man will be appreciated.

High School Student Trainers--NOTE

A summer athletic training camp will be held at Camp Birch Knoll; Eagle River, Wisconsin, June 20-26, 1971. Gordon Stoddard is the director. For more information, write the Camp Residence Office, Box 206, Beaver Dam, Wisconsin 53916.

Audio-Visual Materials

If you know of any athletic training films, slide shows, etc., which are available to the public or for professional use, please write Dick Hoover at Northwestern University with this information. As chairman of the NATA audio-visual committee, he is trying to compile as complete a list as possible and he needs your help.

We received a "Thank You" card from Roy Don and Pat Wilson for the flowers that the district sent to Roy Don when he was in the hospital in Houston. He is recovering beautifully according to Pat.

District 9 will again hold its annual bash with District 3 on Saturday, June 5, at about 7 P.M. We will have our annual meeting at 6 P.M. on the 5th. Location will be posted at the hotel. This year, Joe Gieck says that it will be a real winner--it is going to be at the Playboy Club in Baltimore. Are there any playboys around, or is it Bunnies? Anyway, we will soon see how the affair will "stack" up and who is "stacked."

Sorry men, but the first two drinks will be on the District; the rest will be on an individual pay basis. The past two years have been quite costly for both districts.

Remember, the District will close its books on April 1. Any checks for dues will be returned after March 30.

Plan to take part in the Cardio Pulmonary Resuscitation Course (CPR) to be given at the Convention. I had the pleasure of taking this course here in Cookeville last January. It is well worth the effort and time, and I am sure that you will gain from it. It could well save one of your player's life.
