District IX—N.A.T.A., Inc.

Sherry Sutton, Secretary/Treasurer

From the District Director . . .

I hope your spring has been drier than mine and you are able to enjoy some of the sunshine. The NATA is moving right along to say the least. By the time you receive this letter we probably will have everything moved to the new headquarters. You will enjoy the opportunity to see the building at the national meeting. There will be an open house on one of the days.

Applications are being received for the position of executive coordinator through April 30. The board will select those for interviews at the national meeting. This will give us an athletic trainer at the national office who will have certain assigned administrative duties to help certain committees better function. The duties of this position will grow as we expand our work at the new office.

Be sure to make plans to attend the district meeting. Good programs and a lot of time has been spent to continue the excellent tradition that has been established. It's going to be a good one. Make plans for you and your family.

I cannot say enough for our third annual student trainer clinic in Birmingham. We will discuss this more at the June meeting. My thanks to Ron Courson, Mike Roberts and Chris Gillespie for the fine job they do on this worthwhile endeavor.

The second edition of the NATA newsletter will be arriving soon. It is better than the last, with lots of information for everyone.

Keep being a professional. Get involved in supporting and promoting athletic training on the local and state levels. We are only as good as people are educated to believe. Let's discuss what we as a district can do on this at the June meeting.

Thanks so much for each of you who take the time to help in our organization. I would not try to list everyone but you know who you are. As your district director I am grateful for you letting me represent and make the decisions for you. This trust is greatly appreciated.

— Doug May

The Southeast Athletic Trainers Association Memorial Scholarships

These scholarships were established on July 3, 1981, by the members of the Southeast Athletic Trainers Association of District Nine of the National Athletic Trainers Association. These awards will be given to a student member of the SEATA to preserve the memory and accomplishments of the deceased members of the SEATA and to perpetuate the standards, ideals and professionalism of athletic training they labored to establish.

The Scholarship Committee of District IX is pleased to announce the 1989 scholarship recipients:

Undergraduate: Mary Tew

Mary is a student athletic trainer at Livingston University. She has a GPA of 3.41 and has played volleyball and basketball while in college. Mary is an EMT Basic I and would like to teach and coach along with athletic training duties in the future. In 1988-89 Mary was selected for entry into *Who's Who Among Students In Universities and Colleges*. Mary's head trainer is R.T. Floyd.

Graduate: Robert Williams

Robert is a graduate student at the University of Southern Mississippi. While working in Hattiesburg for Doc Harrington and Jim Gallaspy, Robert has maintained a 3.25 GPA. He completed his undergraduate work at the UT-Chattanooga under Doug May and has written an article that appeared in the December 1986 issue of *Sports Medicine Update* entitled "Head Injury Management."

Mary and Robert will be honored at the Student Trainers' Banquet in Dallas, Texas, during the national convention. The presentation of their awards of \$750 and a plaque will be at our SEATA meeting in Birmingham this July.

Congratulations! District Nine Is Proud To Honor You!
